# The Best in the World 2006

Beijing, China  
April 8, 2007

## IRELAND

The Gourmand World Cookbook Awards took place on April 7, 2007 in Beijing, China. A major book from Ireland was honoured.

Surprisingly, or not, it was a book about Ireland and wine around the world. The award for « Best Book in the World for Wine History » went to a »A Kingdom of Wine«, a celebration of Ireland's wine geese, by Ted Murphy, published by Onstream Publications. This is a unique book charting the connections between Ireland and the wines of the world. It is extremely well researched, informative, with a clear and easy to read design. The illustrations are outstanding.

It is the second time Ireland wins with a wine book, as the Wine Guide published by A-A Fermar from Dublin won « Best Wine Guide in the World » in 2001.
